the President has sent a copy of GI

with certain other proposals ~~the copy of~~
which G. O. referred to & Lr. addressed with reference
to para 2 supra

1) The sanction obtained is only to the
placing of the Exhibition buildings at the
disposal of the Mysore City Municipality for the
purpose of the Exhibition. The President's reply
to the query on this behalf appears in the
circumstances, to be misleading

7) The expenditure incurred also appears
to be extravagant and without reference to the
income authorised and the grant voted
A sum of over Rs 1000/-, in instances, appears to

Bx 30 II 48 & It will be seen from the G.O. dated
28 6 47 that the municipal Commissioner
was not consulted in the matter & no sanction
was specifically given for the raising of the
exhibition pavilion was given in that G.O.
to hold the exhibitions in the exhibition buildings
Hence the statement that the holding of the exhibitions by
them sanctioned by Govt is not correct
appears. It is seen from the bills that there has
been a reckless expenditure wasting funds
The sponsors of the exhibition should have
refunded the entire cost of the anticipated
receipts fell in course of it
A scrutiny of the items of expenditure shows
that many has been spent like water &

bills have been fed into Pure Desire.
Municipal Commissioner Officers &

sought for an excess of Rs 1337/6/2

of this was previously obtained either to
the incurring of the expenditure or the making
of an excess of Rs 1000/- the proposal
to meet the above excess which
is unauthorized is quite - especially as the TH funds which are very slender
may not be approved. This kind of
expending excess very much by the HEC
without obtaining the sanction of this department
for some time to come, thinking that this
fact would anyhow be compelled to
approve of it as not desirable
and has to be discouraged

in addition to this account an

total expenditure to Rs 4046-4-2
Sanction is now sought for
the excess expenditure of Rs

Remarks:

1) Sanction of Govt is necessary to the entire expenditure of Rs 4046-4-2 and not merely to the excess over the income

Ofor 12-48 by Asst-Pain to Supdt 7/12/48

2) In the circumstances represented by the President of the Council the total expenditure of Rs 4046-4-2 incurred has to be sanctioned & approved accordingly. But a sum of Rs 1337-6-2 out of the expenditure is met from municipal funds.

3) It is stated that a sub committee appointed for the purpose has scrutinised each item of expenditure & have recommended the adoption of the same

Sir,

Re: Health and Fine Arts Exhibition

Adverting to Government Order No.D 7746-8/IFC 459-46-2 dated 28th June 1947 sanctioning the holding of the Health and Fine Arts Exhibition at the Exhibition Buildings, Mysore, I have the honour to state as follows:-

1 The Mysore City Municipal Council in their resolution No 1169 dated 28-6-1947, while approving of the recommendation of the Health Committee in the matter of holding the Exhibition, resolved that the expenditure out of the Municipal funds in this connection be limited to Rs 1000/-

2 The Exhibition was held from 8th to 13th July 1947 both days inclusive and was a grand success Many items of exhibits and amusements that had not been originally included in the programme were added on by the Sub Committee appointed for this purpose This not only attracted a huge crowd but also was greatly appreciated by the public of not only Mysore, but from outside as well

3 The gate collection and stall rent etc , amounted to Rs 2708-14 The additional items of exhibits necessitated the incurring of additional expenditure The total expenditure amounted to Rs 4046-4-2 i e , Rs 1337-6-2 in excess of the gate collection and stall rents The Sub Committee scrutinised each item of expenditure and they recommended the adoption to the same

4 The work of getting the necessary bills for expenditure incurred and vouchers for payment took some time In the meanwhile, there were other circumstances - such as political disturbances which also added to the delay in the disposal of this matter The Sub Commit

met on 21-5-1948 and finally passed the statement of receipts and expenditure The bills were then sent to the Auditor for preaudit and there were certain observations After attending to the, the file was placed before the Health Committee once again, on 12-8-1948 and in their resolution No 53, they recommended the adoption of the same after examining all the records The Municipal Council at their meeting held on 11-9-1948, resolved that the connected bills may be passed, in their resolution No 163

5 In this connection, I write to state that an expenditure of Rs 1337-6-2 has been incurred in excess of the collections Hence the Municipal quota of the expenditure comes to Rs 1337-6-2 as against the original grant of Rs 1000/- approved by the Council in their resolution No 1169 dated 28-6-1947

In enclosing herewith copies of the resolutions of the Municipal Council, I request you kindly to accord sanction of Government to the same, to pay Rs 1337-6-2 out of the Municipal funds, as the several parties who have rendered supplies and services are pressing very much for payment of the sam The bills have been passed in anticipation of sanction o: Government since they are pending for a long time I request that approval may kindly be accorded for the action taken The expenditure will be met out of the closing balance of the current year's budget

The favour of an early reply is requested

Yours faithfully,

PRESIDENT
